Consent for Services

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that as a service we will bill your insurance company and you are responsible for any remaining balance after insurance has paid.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 90 days, unless previously written financial arrangements are satisfied.

I understand that dentistry is not an exact science and therefore reputable practitioners cannot guarantee results. We will do our very best to ensure that your condition is treated properly.

I hereby authorize any of the dentists and auxiliaries to proceed with and perform the dental procedures and treatments recommended.

I have read the above conditions of treatment and payment and agree to their content.
